

Local Water Bingo

Directions: Find a “water spot” near you; this could be a pond, creek, lake or wetland. Stand or sit for 10 - 15 minutes in complete silence. Check off things you observe in the boxes to get BINGO! BINGO is a straight line across, straight line down or diagonal from corner to corner. When you get BINGO, please post a photo of your card and tag us on Facebook (@schoolship) or Instagram (@inland_seas_education_assoc).
