

## Captain - Delivery and Dockside Crew

Inland Seas Education Association (ISEA) is looking for someone with a positive attitude to fill the position of Captain for the 2022 summer season aboard the schooner *Utopia*. During this season, *Utopia* will be transiting to various ports around the Great Lakes allowing dockside tours exhibiting the mission of Inland Seas Education Association. The Captain is responsible for the safe and efficient operation of the Schooner *Utopia* and is ISEA's representative to the maritime community and the public in ports visited. **This is a seasonal position on an as needed basis.** Compensation for this position is commensurate with experience.

Applicants must have at least three years of experience as officer of a large sailing vessel. They must have the ability to work well with youth, adults, as well as professional staff. They need to be able to lift equipment of 40 pounds or more as well as haul halyards and mooring lines. In addition, this individual must be able to work weekends and evenings (as needed), have the ability to travel and sleep on the ship for 1-10 days at a time, must pass a criminal background check and participate in a DOT random drug testing program. They must be able to work aloft in the rigging.

### Responsibilities

Sailing - Under supervision of the Executive Director:

- Directs crew and passengers in the safe and effective operation/navigation of the vessel in support of ISEA's educational mission
- Coordinates daily dockside operations with Lead Instructor to accomplish the educational mission of ISEA within the constraints of weather and other safety-related factors
- Assists less experienced crew with training in vessel operations, seamanship, and safety procedures
- Enforces ship's rules, policies, and Standing Orders
- Supervises, with education staff, the deployment and recovery of sampling equipment
- Oversees operation of deck machinery, engine room equipment and systems
- Carries out monthly, weekly, and daily safety checks
- Carries out or supervises boat checks during the day
- Directs and/or assists with the loading of equipment in preparation for educational programs
- Participates in and helps evaluate emergency drills

### Ship Maintenance

- Oversees the maintenance and repairs of the ship
- Records maintenance and repairs in Ship's Log
- Carries out or supervises scheduled maintenance
- Sees that sufficient fuel and water are aboard as needed and holding tanks are pumped as needed. Records tankage data in log
- Determines needed equipment and supplies

### Leadership

- Serves as an ambassador to the community
- Contributes to the organizational culture that will attract, retain, and motivate a diverse staff of quality employees and volunteers
- Mentors crew and other individuals in the organization. Provides regular performance feedback according to established performance objectives
- Displays passion and optimism: inspires respect and trust, mobilizes others to fulfill the vision and mission, provides vision and inspiration to peers and subordinates
- Exhibits objectivity and openness to others' views. Builds morale and group commitments to goals and objectives
- Exhibits sound and accurate judgment

#### **Occupational/Environmental Exposures**

- The physical environment requires the employee to work exposed to all conditions found aboard a ship at sea. This includes heavy weather, extreme heat/cold, and precipitation. Occasionally required to use personal protective equipment to prevent exposure to hazardous materials.
